

by day, month or year stated by the applicant. (G) Under the column 'naturalized,' the word 'yes' or 'no' or 'native,' as the fact may be. (H) Under the column 'can read,' the word 'no,' if the applicant states that he is unable to read, for that reason will be unable to mark his ballot without assistance. (I) Under the column 'date of naturalization,' the date of naturalization, if naturalized. No naturalization papers need be produced if a majority of the board are satisfied that for three years next preceding the applicant claiming to be naturalized has been a registered voter in this State and has actually voted on such previous registration, but they shall note his answers to the questions, when and in what court he was naturalized, and also in the column headed 'remarks,' where and when he was so previously registered. (K) Under the column 'court,' the designation of the court in which, if naturalized, such naturalization was had. (L) Under the column 'qualified voter' the word 'yes,' if the fact shall appear or be determined by a majority of the Board of Registry, or the word 'no,' if such fact be not established to the satisfaction of a majority of the board. (M) Under the column 'date of application,' the month day and year where the applicant presented himself. (N) After the answers of the applicant to the questions under the heads of each and all of the above-mentioned columns have been properly entered by the officers in his presence, in both registers, and not until then, he must sign his name upon the same line under the column 'signature,' in each of them, unless he shall state his inability to do so, in which case the officers shall make the entry 'cannot write,' in the places for said signature. (O) Under the column headed 'party affiliation' the name of the political party, if any, with which the voter desired to have himself recorded as affiliated, it shall be the duty of the Board of Registry to explain to each voter that he has the right to decline to state any party affiliation, but that no one who is not recorded upon the registry as affiliated with a particular political party will be qualified to vote at subsequent primary elections of said political party.

Whenever a voter declines to state his party affiliation the word "delined" shall be written opposite his name under such column, so that there shall be written in such
