

ment of the city. The prosperity of Baltimore is essential for the prosperity of the counties of the State, and in increasing the revenues of the city and thereby lessening the oppressive local taxes is a direct benefit to the counties of the State as well as the city. That the tax-payers of this city at present contribute a large per cent. of the moneys expended in carrying on the public schools in the counties and furnishing free books to the pupils of the public schools of the counties, this contribution in taxes to the counties but gives an additional reason why the city in the matter of this local revenue from liquor dealers should be entirely devoted to meet the large municipal expenditure therefor.

Resolved that the General Assembly be, and is hereby requested to pass the bill now pending which gives to Baltimore the whole of the money received from the liquor license fees.

Resolved, That this petition and resolution after attaching to the same the names of the President and vice-Presidents of this meeting be forwarded to Senator Olin Bryan, of the Senate, and Hon. A. Lee Knott, of the House of Delegates with the request that they be read to their respective bodies, and spread upon the journals of the Senate and House of Delegates.

THOS. G. HAYES, Mayor;
President.

Vice-Presidents.
