

or university, who passes upon the qualifications of graduates of any medical school, shall be elected to serve as a member of either of said boards. In case of a vacancy occurring in either of said boards, the board in which such vacancy shall occur shall fill the same until the next annual meeting of the Medical and Chirurgical Faculty, or the Maryland State Homeopathic Medical Society, according as the board in question may be the representative of one or other of said societies, when said society shall elect an examiner to serve for the remainder of such unexpired term.

40 A. Each of said boards shall, at its meeting on the first Tuesday in June of each year, appoint a secretary-treasurer for the board, whose term of office shall last for one year, and who shall be eligible for reappointment, and whose duties shall be as follows: Within sixty days from the time of his appointment by his respective board, it shall be the duty of the Clerk of the Circuit Court of Baltimore city and the Clerk of the Circuit Courts of each county in the State, to furnish the secretary-treasurer of each board a list of all physicians who have been legally registered in such court. To all those physicians who have at that time been practising in the State without having been legally registered, said secretary-treasurer shall send a printed notice of the section of this Act relating to the duty of the Police Commissioners in Baltimore city, and the sheriffs of the counties in the State under this law. Within four months of the time of his appointment, he shall see that all physicians entitled to register shall have been registered, and that the names of all those who are entitled to be registered under this Act have been presented for prosecution to the State's Attorney of the city of Baltimore, and of each county in the State, in which the accused respectively reside. Those physicians, who being entitled to register under this Act, yet have failed to comply at the expiration of this time—four months from the election of the secretary-treasurer of the boards—shall also be prosecuted, and no one after the passage of this Act shall be allowed to practice medicine or surgery without being duly registered, according to the provisions of this Act. The secretary-treasurer shall keep the official records of the board for which he is secretary, as
