

provided for in section 41, of this Act, the examination papers of applicants for at least three years after they have been passed upon by the board, and a complete list of all registered physicians in the entire State. He shall call to the attention of the State's Attorney's of Baltimore city and of the different counties throughout the State, all violations of the law under this Act. He shall collect and hold all moneys belonging to the board, for which he shall give bond to the State of Maryland, in the sum of one thousand dollars, the same to be held by the president of the board. He shall receive from the income of the board such salary as his respective board may determine.

"41. Each board of medical examiners shall meet on the first Tuesday in June in each year, for the purpose of organization. At said first meeting of said respective boards, each of said boards shall effect an organization by the election, from its own membership, of a president, and shall also appoint a secretary-treasurer as otherwise provided in this Article, for the purpose of examining applicants for licenses; each of said boards of medical examiners shall hold one or more stated or special meetings in each year, due notice of which shall be made public, at such times and places as may be determined by the members thereof respectively; at said stated or special meetings a majority of the members of the board shall constitute a quorum thereof. Each of said boards of medical examiners shall keep an official register of all applicants for examination for a license to practice medicine and surgery in this State; said register for license shall show the name, age and last place of residence of each candidate, the school from which he or she may have graduated, and whether such applicant was rejected or licensed under this subtitle, but such matters shall not be written in said register or made public until after the examination.

"42. At the first meeting of an examining board, or at a stated or special meeting held subsequently, suitable provisions shall be made by each of the examining boards to prepare a schedule of written examination upon Anatomy, Physiology, Medical Chemistry, Surgery, Practice of Medicine, Materia Medica, Therapeutics, Obstetrics and Pathology, and shall require the same standard of ex-
