

time of his appointment he shall see that all physicians entitled to register shall have been registered, and that the names of all those who are entitled to be registered under this Act have been presented for prosecution to the State's Attorney of the city of Baltimore, and of each county in the State, in which the accused respectively reside. Those physicians, who being entitled to register under this Act, yet have failed to comply at the expiration of this time—four months from the election of the secretary-treasurer of the board—shall also be prosecuted, and no one after the passage of this Act shall be allowed to practice medicine or surgery without being duly registered, according to the provisions of this Act. The secretary-treasurer shall keep the official records of the board for which he is secretary, as provided for in section 41, of this Act, the examination papers of applicants for at least three years after they have been passed upon by the board, and a complete list of all registered physicians in the entire State. He shall call to the attention of the State's Attorney's of Baltimore city and of the different counties throughout the State, all violations of the law under this Act. He shall collect and hold all moneys belonging to the board, for which he shall give bond to the State of Maryland, in the sum of one thousand dollars, the same to be held by the president of the board. He shall receive from the income of the board such salary as his respective board may determine.

"41. Each board of medical examiners shall meet on the first Tuesday in June in each year, for the purpose of organization. At said first meeting of said respective boards, each of said boards shall effect an organization by the election, from its own membership, of a president, and shall also appoint a secretary-treasurer as otherwise provided in this Article, for the purpose of examining applicants for licenses; each of said boards of medical examiners shall hold one or more stated or special meetings in each year, due notice of which shall be made public at such times and places as may be determined by the members thereof, respectively; at said stated or special meetings a majority of the members of the board shall constitute a quorum thereof. Each of said boards of medical examiners shall keep an official
