

Naval Hospital building on the "Government Farm" adjoining the Naval Academy, at Annapolis, with such quantity of land, for the maintenance of a Normal and Industrial School for colored children.

Resolved, That a copy of these resolutions be immediately forwarded to the Senators and Representatives in Congress from the State of Maryland.

Which was read the first time, and referred to the Committee on Federal Relations.

---

#### REPORTS OF STANDING COMMITTEES.

Mr. Moses, from the Committee on Temperance, reported favorably,

Senate bill entitled "An Act to amend the Acts of Assembly of 1874, chapter 453, and also the Acts of Assembly, 1888, chapter 169, by adding two new sections thereto, to be known as 'Sections 7 and 8.'"

Which was read the second time, and ordered to be engrossed for a third reading.

Mr. Crothers from Committee on Rules, reported favorably the following order by Mr. Williams, of Anne Arundel,

Ordered, That the President of the Senate be requested to appoint a committee on Fish and Game laws, to consist of five members, to be a Standing Committee of the Senate, as established by its present Rules, and that to said committee (when appointed) shall be referred all bills, whether of a local or general character, designed to regulate the time and manner of taking, killing or trapping game and fish within this State, except such bills as are properly referable to the Committee on Chesapeake Bay and its Tributaries.

Which report was adopted.

And the President announced the following committee:
