PETITIONS, MEMORIALS AND OTHER PAPERS.

Mr. Moses presented a memorial from the Hillen Democratic Association of the 3d ward of Baltimore city :

Whereas, The Board of Police Commissioners, consisting of two Republicans and one Democrat, have recently given orders that an antiquated and sectional Sunday law should be rigidly enforced, thus causing great hardship and suffering to to many thousands of this city ;

Therefore, The Hillen Democratic Association of the 3d ward, denounce such action as contrary to the spirit of the age, and subversive of Democratic principles.

They furthermore demand a broad and enlightened interpretation of the Sunday law, or else a repeal of it altogether, and such remedial Legislation enacted as will enable the multitude, who are compelled to live from hand to mouth, an opportunity to provide themselves with the comforts and necessities of life, as well on the Sabbath day as on any other day; believing that the Sabbath was made for man, not man for the Sabbath.

They further resolve, that the Senator for the 1st Legislative District, be requested to do all in his power to carry out the views of this association on this matter, and that a copy of these resolutions be forwarded to him.

Moved by R. E. Carroll, seconded by H. I. Buckley.

That foregoing be adopted—carried unanimously.
