

quorum thereof. Each of said boards of medical examiners shall keep an official register of all applicants for examination for a license to practice medicine and surgery in this State, said register for license shall show the name, age and last place of residence of each candidate, the school from which he or she may have graduated, and whether such applicant was rejected or licensed under this sub-title, but such matters shall not be written in said register or made public until after the examination.

"Section 45. The members of said boards of examiners shall receive, as a compensation for their services, a maximum amount of fifteen dollars per day during their session, and in addition thereto their traveling expenses by the most direct route to and from their respective places of residence, to be paid out of any moneys in the Treasury of the Boards, upon the certificate of the President and Secretary, to the extent only, however, of such pro-rated sums as the income of the board will permit. The boards are empowered to demand a fee of one dollar for the issuing of each certificate. The fee for examination shall be fifteen dollars, which fee shall be paid to the secretary of the board before whom the applicant appears, before such examination is had. If the applicant fails to pass a satisfactory examination, and no certificate is issued to said applicant, five dollars is to be paid into the treasury of the board, and ten dollars of the applicants fee is to be returned to said applicant.

"49. Any person shall be regarded as practicing medicine within the meaning of this Article, who shall medically or surgically treat, operate on or prescribe for any physical ailment of another. But nothing in this Article shall be construed to prohibit services in case of an emergency or the domestic administration of family remedies. And this act shall not apply to commissioned surgeons of the United States Army, Navy or Marine Hospital service in the discharge of their official duties or to register graduates in dental surgery, practicing as such; or to physicians or surgeons in actual consultation from other States, or to persons temporarily practicing under the supervision of an actual medical preceptor, or to bona fide graduates of medical colleges incorporated under and by virtue of the Laws of Maryland, and au-
