

The condition of the roads in each district, the improvements that have been made in the twelve months ending December thirty-first of the previous year, the amounts and kind of material used on each road, with a detailed statement of its cost and the amount, and cost of hard material and labor on each road.

Sec. 192. The Road Commissioners in each district shall furnish, on or before the tenth of each month, to the Baltimore County Roads Engineer an itemized statement of their expenditures for the month just passed, including the cost of materials used on each road, and the amount of labor performed, and said engineer shall examine said bills, and shall mark the same approved, if correct, and after the expiration of one week from the time he has received them, he shall deliver all bills marked approved to the County Commissioners, who shall, after the same have been properly audited, shall order the payment of all bills and pay rolls, which shall be properly signed by the chairman and at least one other commissioner of the respective districts, and marked approved by the said engineer to an amount not exceeding the special road tax collected from said district for that year.

Compensation Sec. 193. Each Road Commissioner shall be entitled to one hundred and twenty-five dollars per annum, to cover his personal expenses; and the County Commissioners are authorized to allow any person who may be employed as examiner of new roads to be altered, bridges to be repaired or built, a per diem not to exceed two dollars for each day so employed.

Shall be subject to removal for cause. Sec. 194. All Road Commissioners shall be subject to removal by the County Commissioners for neglect or refusal to comply with the duties of their office; provided, they shall be notified of the charge against them in writing by the County Commissioners, and summoned to appear before them at a stated time and answer the charge, and if any Commissioner shall resign or be removed, his place shall be filled by the County Commissioners within thirty days after any vacancy shall occur.

Charge of all roads and bridges in their districts. Sec. 195. The Road Commissioners herein provided for shall take charge of all roads and bridges in their respective districts, and shall see that no obstructions, hindrances or injury is permitted upon any road or bridge under their supervision, and when any road or bridge shall form the boundary between districts, the County Commissioners shall assign to each district its portion of said road or bridge; and any person placing obstruction of any kind whatsoever on the public
