

December thirty-first of the previous year, the amount and kind of material used on each road, with a detailed statement of its cost for material, and the amount and cost of labor on each road; and shall further make a statement of the plans which he has submitted to the Road Commissioners in each district; the report shall contain a concise statement of the amount of money expended in each district for material and labor, which concise statement shall be published by the County Commissioners in two county papers of different political faith, twice during the month of February in each year.

Compensation

Sec. 198. The Baltimore County Roads Engineer shall receive a salary of two thousand dollars annually in monthly instalments, and five hundred dollars, or so much thereof as may be necessary to meet the traveling, office and all other expenses, including drawings, specifications, etc., incurred in the discharge of his duties, which shall be paid by the County Commissioners upon presentation of the account, with properly-signed vouchers.

County Commissioners shall make annual levy for use of county roads.

Sec. 199. The County Commissioners shall annually levy upon the assessable property of Baltimore county, at the time of making the county levy, not less than fifteen cents nor more than twenty-five cents on the one hundred dollars, for the use of the county roads and bridges, which shall be collected as other county taxes are collected, of which five cents on the hundred shall be set apart as a general road and bridge fund, and be applied to the general use and the benefit of the roads and bridges in Baltimore County, and to no other purpose, and the remainder of the tax so levied and collected for roads and bridges shall be set apart as a special road and bridge fund, which shall be for the use and benefit of that district from which it has been collected, and for no other purpose.

Authority to borrow certain sum.

Sec. 200. When there shall not be sufficient money in the county treasury set apart as a general road and bridge fund, to meet the requirements of the county at large, the County Commissioners are hereby authorized to borrow upon the credit of the county a sum not exceeding twenty thousand dollars therefor, the payment of which loan shall be provided for in the tax levy of the following year.

Persons desiring additional improvements, etc

Sec. 201. Whenever any person or persons shall desire to improve any road to an extent beyond that contemplated by the Board of Road Commissioners of the district where located, they may make application to the County Commissioners, by petition, setting forth the location of the road to
