

- Power to license vehicles, etc. 22. *And be it enacted*, That the said Commissioners shall have the power to license and regulate all hackney coaches, carriages, carts, drays, omnibuses, wagons and other vehicles kept for hire or hired in said town, and to license and regulate the employment of all hackmen, draymen, wagoners, carters, porters, boatmen and watermen, plying for hire within the limits of said town, and to fix the rate of compensation for hackney carriages, and to fix the penalties for the violation of such regulations; to regulate the location and conduct of livery stables, and to enact ordinances respecting the keeping and boarding of horses thereat, not inconsistent with the laws of this State.
- Chimney Sweeps. 23. *And be it enacted*, That the Commissioners shall have the power to license and regulate the sweeping of chimneys, and to fix the rates therefor, and to direct the sweeping of any chimney by neglect of which the said town shall be endangered.
- Cruelty to Animals. 24. *And be it enacted*, That the Commissioners shall have the power to enact ordinances for the prevention of cruelty to animals, and to fix the penalties for the violation thereof, not inconsistent with the laws of this State.
- Fines, etc. 25. *And be it enacted*, That the Commissioners shall have the power to fix by ordinance the disposition of all fines and penalties imposed in violation of any of the ordinances of said town.
- Establish and equip fire companies. 26. *And be it enacted*, That the Commissioners shall have the power to establish regulations for the prevention and extinguishment of fires; to appoint firemen, and organize and equip fire companies, and to fix the penalties for the violation of any fire regulation, and to fix the compensation of firemen.
- Health regulations. 27. *And be it enacted*, That the Commissioners shall have the power to pass ordinances to preserve the health of the said town, and to prevent and remove nuisances; to prevent the introduction of contagious diseases within the said town, and within two miles of the same, and may regulate the places for manufacturing soap and candles, the erection of slaughter-houses, tanneries, canning factories and distilleries, and whatever other offensive trade is carried on. That whenever any nuisance dangerous to the health shall exist in any street or alley of the said town, and it shall be found necessary in order to remove the same to have such street or alley paved, they may order the same paved, and assess the amount expended in paving the same, and the expenses of collection, upon the
