

be levied and collected as other County taxes. The said County Commissioners may appropriate and levy such other sum or sums of money as they may think needful for the building of new bridges, the opening of new roads, and the repairs and construction of highways and bridges, and the same shall be paid over to the Board of County Road Commissioners to be disbursed by them under the terms of the appropriation. The Clerk of the Circuit Court for Prince George's County shall pay over to the said County Road Commissioners the money received from liquor licenses under Section two hundred and fifty-two of Article 17 of the Code of Public Local Laws, to be used as hereinafter directed, the Board of County Road Commissioners shall deposit all funds under its control in some safe National Bank, subject to its check when signed by all of its members.

Money  
from liquor  
licenses.

Apportion-  
ment of fund  
levied.

287. The Board of County Road Commissioners shall as soon as possible apportion three-fourths of the fund levied for the annual repairs of roads and bridges among the road districts in such proportion as it may think right, regard being had to the extent and condition of the roads of each district, and the size of the fund available. The remaining fourth shall be used to pay the proper authorities of each incorporated town in the county the part of said fund realized from property within the limits of their respective towns, and the balance thereof shall be expended by said board upon said roads after the payment of the per diem of said Commissioners, and the legitimate expenses of said board.

Fund  
from liquor  
license.  
How used.

288. The Board of County Road Commissioners shall use the fund received from liquor licenses in the construction of permanent highways, beginning at the line of the District of Columbia, and the end of some highway therein, and building out into the county upon existing public roads, continuing the same from year to year, as funds may be available, said work shall be done under the direction of the Geological Survey Commission Division of Highways of the State of Maryland, if the same be in existence.

Detailed  
report to  
County  
Commissioners

289. The Board of County Road Commissioners shall on or before the first day of December in every year make a detailed report to the Board of County Commissioners of Prince George's County of the work done upon the public roads and bridges of the county for the preceding twelve months, as well as their receipts and disbursements in the premises.

Shall not  
contract debt,  
etc.

290. The Board of County Road Commissioners shall not authorize any work or contract any debt save where the money is in hand, or an appropriation therefor has been made
