JUDICIARY DEPARTMENT.

Mr. EARLE, from the committee of revision, reported back to the convention the article on the judiciary department.

The committee recommend that the fourth part of this article, which relates to the orphans' courts, and the fifth part, which relates to the courts of Baltimore city, be transposed. This arrangement will cause the courts of Baltimore city, which are included in the thirteenth judicial circuit of the State, to follow the third part of this article, which relates exclusively to circuit courts.

The committee further recommend that the different sections of this article be rearranged according to the following table. The first column gives the number of each section as arranged by the committee; the second column refers to the corresponding number of each section as the sections now stand:
