

1 in the area of hospital care and these are people who
2 are working. They have to pay hospital bills. They
3 take from their rent and food money. This principle
4 has been established in the State of Maryland. If we
5 can help the working people in this state who are
6 working, and subsidize them with hospital benefits, I
7 am sure we can do it for all citizens, and I want to say
8 briefly --

9 DELEGATE JAMES: Your time has expired.

10 DELEGATE LLOYD TAYLOR: I want to finish my
11 statement because in a few years we will be paying a
12 hundred dollars a day for hospital bills and how many
13 people can afford this? The State of Maryland will have
14 to assist these people whether they are working or not
15 working and these are not only low income people.

16 DELEGATE JAMES: Does anyone wish to speak?

17 Delegate Adkins.

18 DELEGATE ADKINS: Mr. Chairman, ladies and
19 gentlemen, I will be very brief.

20 The aims and aspirations of this proposal
21 have been a spur to mankind's progress for a thousand
