

1 I fully agree with Delegate Moser that the time  
2 has come that this outmoded thing which has outlived its  
3 usefulness and still presents an element of constitutionality  
4 under the 14th Amendment should be deleted.

5 DELEGATE JAMES: For what purpose does Delegate  
6 Bothe rise?

7 DELEGATE BOTHE: My purpose was to ask questions  
8 of Delegate Willoner at such time as that is appropriate.

9 DELEGATE JAMES: I believe this is a time for de-  
10 bate and a time for questioning will come later.

11 Delegate Sollins, do you wish to speak against the  
12 amendment?

13 DELEGATE SOLLINS: I have a question of Delegate  
14 Moser.

15 DELEGATE JAMES: First I want to recognize the  
16 people who wish to speak for and against, and then we will  
17 have a question period.

18 Does anyone wish to speak against?

19 DELEGATE BOTHE: The answers to questions which  
20 I and perhaps other delegates may wish to pose may bear on  
21 the nature of the debate.
