

1 at first hand there is ample evidence to take before
2 a jury.

3 DELEGATE JAMES: Delegate Cardin, for what purpose
4 does Delegate Cardin rise?

5 DELEGATE CARDIN: I would like to ask a question
6 of Delegate Weidemeyer.

7 DELEGATES JAMES: Do you yield?

8 DELEGATE WEIDEMEYER: Yes.

9 DELEGATE CARDIN: In Suffrage and Elections,
10 when we came across the phrase "infamous crime," we felt
11 the word infamous is one no longer in use by the general
12 public and we suggested changing it to "serious crime."
13 Is this the type of crime which you had in mind?

14 DELEGATE WEIDEMEYER: Infamous is a serious
15 crime and I think our legislature now is in the process
16 of redefining the statement between felonies and misdemeanors
17 and in some instances probably you have what we would call
18 an infamous crime that is now a misdemeanor but I would
19 imagine they will get that thing straightened out, but
20 "infamous," to my way of knowing, is a more or less serious,
21 very serious offense.
