

1 of committee recommendation R&P-2, and further that item
2 A and B be reversed so that GP-6 will be considered before
3 GP-5.

4 As so amended, I move the adoption of the
5 calendar.

6 (The motion was seconded)

7 THE PRESIDENT: The Chair recognizes Delegate
8 Johnson.

9 DELEGATE JOHNSON: Mr. President, I notice that
10 the calendar calls for my motion to reconsider the section
11 on consumer protection.

12 THE PRESIDENT: The Chair does not intend to call
13 that for action today, even though it is on the calendar and
14 even though we are fortunate enough to conclude committee
15 recommendation GP-6.

16 The Chair proposes to go into the Committee of
17 the Whole immediately to conclude consideration of R&P-2,
18 and then take up committee recommendation GP-6.

19 The probability is that the motion to reconsider
20 will not be reached until next week.

21 Delegate Johnson.
