3 for making the motion to reconsider was because of the large  
4 number of delegates that were absent or late when we took up  
5 this item immediately following the dinner hour the other  
6 evening, so if it were possible I would suggest that the  
7 Chair would be able to give some advance notice when this  
8 matter will come up again so we could have as many delegates  
9 as possible.

10 THE PRESIDENT: The motion for reconsideration  
11 is the only one permitted in the rules, except for the  
12 special permission in the rules, so for that reason the  
13 Chair would desire to have as many delegates present as  
14 possible.

15 Are there any reports of committees, Mr. Clerk?

16 THE CLERK: No, sir.

17 THE PRESIDENT: Any motions or resolutions:  
18 The Chair hears none.

19 The Chair recognizes Delegate Powers.

20 DELEGATE POWERS: Mr. President, I move the  
21 Convention resolve itself ---
