

1 DELEGATE JOHNSON. If amendment No. 24 is
2 adopted, would I be correct in assuming that it would be open
3 to amendment until such time as the Committee of the Whole
4 reports to the convention with respect to its final action
5 on R&P-1 and R&P-2?

6 THE CHAIRMAN: The Committee of the Whole has
7 already reported to the convention with respect to
8 committee recommendation R&P-1. The Chair would intend
9 that the Committee of the Whole report to the convention
10 with respect to R&P-2 as soon as we conclude consideration.

11 Subject to those comments, your statement is
12 correct, the section would be open to further amendment,
13 assuming, of course, that the amendment was proper.

14 I don't know what you have in mind as to amendment
15 If you are talking about the amendment to the amendment
16 24, or the assumption that it is adopted, I would
17 suggest to you that the only proper amendment would be b y
18 way of the addition to other language. If amendment 24
19 is rejected, then until we have acted with respect to
20 R&P-2, you could have amendment to propose another
21 section. Whether it would be in order, I can't say without
seeing it.
