

1 I hope will put these two conflicting points of view
2 together for the benefit of a good provision.

3 THE CHAIRMAN: If you can do it in a very, very
4 few minutes, Delegate Storm, I think it might be possible.
5 Otherwise I don't think it will be for this reason;

6 The Chair, as all of you know, and I am sure
7 this feeling is shared by every delegate, is very anxious
8 to conclude consideration of this recommendation so that
9 we can take up and conclude today the consideration of the
10 committee recommendation-B-6, dealing with education.

11 It will be possible to do so provided we dispose
12 of committee recommendation R&P-2 very promptly.

13 At the same time, the Chair is concerned as I
14 am sure the other delegates were, by feelings of uncertainty
15 as to certain sections which were acted upon either by
16 deletion or amendment. Several delegates have indicated
17 to the Chair a desire to move for reconsideration of the
18 action of the Committee of the Whole with respect to some
19 of those sections, others have indicated grave doubt that
20 the Committee was sufficiently informed on certain aspects,
21 at least, they desire that there not be final action.
