

1 divorces, support, matters like that, it is one of the  
2 saddest areas of anybody's experience, and this amendment  
3 would make a shambles of it because a husband with money  
4 can provide for a removal and a wife who is anxious  
5 to force her husband to pay extraordinary additional  
6 expenses can force a removal. What you are doing here  
7 is making sure that the orderly processes of government  
8 insofar as the judiciary is concerned, will be extended to  
9 provide one more area for delay.

10 This is not right, and I urge you to vote  
11 against this amendment.

12 THE CHAIRMAN: Any other delegate desire to  
13 speak in favor of the amendment? Delegate Weidemeyer,  
14 do you yield to a question from Delegate Mason?

15 DELEGATE WEIDEMEYER: Yes.

16 THE CHAIRMAN: Delegate Mason.

17 DELEGATE MASON: Delegate Weidemeyer, at line  
18 9, do the words "shall be removed" mean removal to  
19 another court within the county or removal to a court outside  
20 the county?

21 THE CHAIRMAN: Delegate Weidemeyer.
