

1 only have the Superior Court and we will only have the
2 District Court, so what you seek then, wouldn't that occur
3 under those circumstances?

4 THE CHAIRMAN: Delegate Weidemeyer.

5 DELEGATE WEIDEMEYER: Still it is true you
6 have ten or twelve or more judges up there and it could
7 well be removed under this language, we feel, to another
8 judge right in that same Superior Court.

9 Now if it is a question of not being able to
10 get a fair and impartial trial in that jurisdiction, of
11 course, then, I would think that the judge or the attorney
12 would ask for it to be removed from Baltimore City to
13 another county. If the atmosphere was so hostile on a
14 particular issue in Baltimore City that the case could not
15 be removed satisfactorily to another judge in Baltimore
16 City, of course, this language is broad enough to allow
17 him to remove to another county.

18 THE CHAIRMAN: Any other delegate desire to
19 speak in opposition?

20 Delegate Marvin Anderson, do you desire to
21 speak in opposition?
