

1 that follows our old language and that is our intent.

2 THE CHAIRMAN: The Chairman of the Committee  
3 on Style please note for the information of his committee  
4 that the use of the words "jurisdictional amount" in  
5 lines 7 and 8 are not intended to refer to the amounts  
6 involved, which establish the jurisdiction of the court,  
7 but are intended instead to indicate such amount as shall  
8 be fixed by the General Assembly as being determinative  
9 of the right of removal prescribed in this section.

10 For what purpose does Delegate James rise?

11 DELEGATE JAMES: Mr. Chairman, I would like  
12 to point out several things about this proposal. I will  
13 be very brief.

14 THE CHAIRMAN: You are speaking in opposition  
15 to the amendment?

16 DELEGATE JAMES: Yes, sir.

17 THE CHAIRMAN: You may proceed.

18 DELEGATE JAMES: A number of things come to  
19 my mind about this. It is almost as the Supreme Court  
20 said in one case, this is a parade of horrors. Land  
21 goes through equity proceedings. Almost/that can happen  
~~to a person can happen to a piece of land.~~
