

1 You have mortgage foreclosure cases, you have partition  
2 proceedings, creditors' bills. You have situations where  
3 interests are involved. You must go to court possibly  
4 to get a piece of land sold because there are different  
5 interests involved. There are any number of things,  
6 lunacy proceedings, variety proceedings and that sort of  
7 thing coming under equity proceedings. As I interpret  
8 this, any one of these cases on proper motion can be  
9 removed to another court, and when land is involved, to  
10 send the records to another court to be tried to me is  
11 just in the realm of fantastic. I just can't see how any  
12 lawyer would want to agree to this.

13 THE CHAIRMAN: . Any other delegate desire to  
14 speak in favor?

15 Delegate Clagett.

16 DELEGATE CLAGETT: Mr. Chairman, I would  
17 like to make an amendment to this amendment, and it would  
18 be a very simple one and not require writing, simply to  
19 strike on line 8 the words "all cases" and on line 9 "in  
20 equity" and on line 16 the words which we had added by  
21 agreement "and domestic relations".
