

1 well taken and I would have no objection to amending the
2 language if there was need for clarification. We inter-
3 preted this to mean the local school system, referring to
4 the system back to the type of thing that now exists and
5 in the article now providing for this Article 77, Section
6 55 and 54, the following language is used: "Shall exer-
7 cise control and supervision over the public school sys-
8 tem of the county." This is the intent of the committee
9 and we would certainly want to carry on the same intent
10 now expressed in Article 77, Sections 54 and 55.

11 DELEGATE CLARK: Delegate Cardin.

12 DELEGATE CARDIN: That would not conflict if you
13 were to include the language, that would not conflict with
14 the exercise, control and direction of the public school
15 system in Section 5.

16 DELEGATE CLARK: Delegate Wheatley.

17 DELEGATE WHEATLEY: Again, as I have indicated,
18 if there is clarification needed as to purpose, the purpose
19 of the committee was to continue the state board as it now
20 exists with its control limited to those areas for which
21 it is responsible and then we would amend to make both of
