

1 you wrote your report? This was fifty-three years, Dele-
2 gate Lord.

3 THE CHAIRMAN: Delegate Pullen.

4 DELEGATE PULLEN: We have waited here three
5 months.

6 THE CHAIRMAN: Let's confine ourselves to ques-
7 tions.

8 DELEGATE PULLEN: Excuse me.

9 THE CHAIRMAN: Delegate Lord.

10 DELEGATE LORD: I was certainly aware of the
11 bulk of that, and I am glad that you completed my history
12 on the subject. I don't see that this is relevant at all.
13 I think all educators from the State system and the local
14 system in this State that appeared before our Committee
15 testified that the system has worked well. We agree.
16 All we say, and we also agree with the great bulk, and I
17 must say that this is being favorable to the Majority,
18 because I don't remember any such witnesses testifying
19 that the section had to be five times as long as the
20 existing language and also roughly five times as long as
21 the language in the Draft Constitution.
