

1 that it would be possible for the board of such an insti-
2 tution, as a community college, would it be possible for
3 the board of a community college to take the money appro-
4 priated by the General Assembly for faculty salaries and
5 use it for landscaping the stadium?

6 DELEGATE LORD: I think that the principle that
7 you have stated is certainly true, and the answer would
8 have to be Yes. I have some reservation about landscaping
9 a stadium to the extent that it may be a capital improve-
10 ment, and it is my understanding that the capital improve-
11 ment budget may not be tampered with by these institutions;
12 but certainly they could reduce and slash faculty salaries,
13 use the money to create entirely new programs that were
14 not in the budget as submitted and approved by the General
15 Assembly, yes.

16 THE CHAIRMAN: Delegate Kathleen Robie.

17 DELEGATE ROBIE: Mr. Chairman, since the
18 Minority opinion has come from most of the lawyers, who were
19 on our Committee, and since you have professed a rather
20 naive knowledge of the difference between the State Board
21 powers and the local boards of education powers, I am
