9 DELEGATE POWERS: Mr. President, in connection
10 with Committee Recommendations LB-3 and JB-2 which are
11 next on the agenda after we conclude the Committee
12 recommendations on general provisions, I move that the
13 debate on these Committee recommendations be limited to
14 the extent that the presentation by the sponsor of the
15 amendment be allowed ten minutes including time yielded
16 for answering questions and that all other speeches be
17 limited to three minutes. There is no debate schedule
