

1 defense against the improper accumulation of power in any

4 particular item recognizing that it has been already
5 included under Article 8 of the Declaration of Rights
6 in our constitution of 1867, and recommends for
7 your consideration the reinclusion of it in the present
8 constitution. If it was good then, it must be good now.

9 THE CHAIRMAN: Are there any questions of the
10 Committee Chairman?

11 The Chair calls your attention to the fact
12 that this was a matter discussed to some extent several
13 days ago, or last week, in connection with another
14 Committee recommendation.

15 Delegate Carson.

16 DELEGATE CARSON: Chairman Boyer, the last two

18 Do you mean by that that the requirement of
19 judicial review could be satisfied by merely having the
20 court review a record of the administrative agency?

21 I assume you do.
