

- 1 are breaking a contract -- we, the social contract between
2 man and men which seeks man's good through the instrument
3 of government, and Jonah the divind contract, the covenant
4 between man and God which seeks man's good through the
5 fulfillment of God's will.

6 Give us the strength, we pray Thee, to abide by
7 both these contracts, the social and the divine, and to
8 remember that the social contract, great and noble instru-
9 ment though it be, is but a partial contract and earthly
10 embodiment of the only contract that encompasses all that
11 man can think and feel and do, the ultimate contract the
12 divine covenant between man and his God. Amen.
