

1 sense if you made these changes -- if in line 30 you  
2 struck the comma and the word "and", and deleted the comma  
3 in line 31 and the comma in line 33?

4 DELEGATE GALLAGHER: Mr. Chairman, I do believe  
5 that the comma in line 31 ought to come out, because it  
6 just doesn't make any sense.

7 THE CHAIRMAN: And in line 33?

8 DELEGATE GALLAGHER: I would think so, but  
9 in so doing may I point out that this would be a change  
10 from the language as it was passed in 1851.

11 THE CHAIRMAN: Yes, I am just trying for the  
12 moment to get the sense of it.

13 Would you agree that for purposes of making  
14 sense out of the first clause you would also delete the  
15 comma and the word "and" on line 30?

16 DELEGATE GALLAGHER: Corporations may be  
17 formed under general laws, but shall not be created by  
18 special act and except in cases where no general law  
19 exists providing for the creation of corporations --

20 THE CHAIRMAN: Shouldn't you delete the comma and  
21 "and" -- "shall not be created by special act except"?
