

1 Voluntary actions do not work. The concept
2 of caveat emptor is dead. The chemical and technical
3 nature of the world makes it impossible for him to
4 understand his purchases. The greatest number of purchasers
5 say we cannot compete with the few people who are not
6 honest. Those of us who are honest can compete more firmly
7 if there is force behind what we are doing.

8 THE PRESIDENT: Thank you.

9 Any other delegate desire to speak in favor
10 of the motion to reconsider?

11 D elegate Henderson.

12 DELEGATE HENDERSON: I would urge this committee
13 to reconsider, and delete this proposal from the
14 Constitution. I am disturbed at the breadth of the
15 proposition, protection and education, which are the broadest
16 words that I can imagine.

17 I think it will lead to endless litigation
18 before its exact scope is determined by the courts, and
19 if it has any legislative effect, if it is not purely
20 oratory and not self-executing, I assume that it is not, I
21 assume that it would require legislation to implement it,
