

1 have been "qualified voter", and I would hope it could
2 be changed.

3 Section 2.12 is now one which includes the portion
4 moved down from 2.10, which puts it in sequential order
5 and clarifies the timing of the suspension of the laws
6 and the period of that suspension which is the same as
7 provided in the original decision of the committee and of
8 the Committee of the Whole, but it is, I think, made
9 absolutely clear in Section 6.13 which is a continuation
10 of the effects of the memorandum and is again part of
11 the slight change in wording, but to correspond with the
12 sequence.

13 Again, one more error on our part, on the
14 part of the committee, and that is in line 27 on page 5,
15 there is "provided for" when it should have been
16 "prescribed", and if I may take you back to page 3, in
17 line 24, and again in line 42, we say "provide" when we
18 should have said "prescribe".

19 The wisdom of Delegate Marvin Smith came too
20 late to affect the failures of our original draft, so it
21 went in with these "provides" when they should have been
