

1 practice it is not ~~an~~ absolute requirement?

2 In other words, a voting machine can be so set that
3 by action externally by the election judge, a voter entering
4 the booth could be restricted in the offices for which he
5 was voting?

6 DELEGATE KOSS: Mr. President, voting machines are
7 capable of that kind of control, so that in effect the
8 machine could be set so that they could vote only for
9 President and Vice President, or the electors therefor.

10 THE PRESIDENT: Is there any further discussion?
11 Are you ready for the question?

12 The question arises on the adoption of amendment
13 No. 3. A vote Aye is a vote in favor of the amendment, which
14 is to change the word "shall" in line 20 on page 2 to the
15 word "may". A vote in favor of the change is Aye. A vote
16 No is a vote against the amendment.

17 Cast your votes.

18 Has every delegate voted?

19 Delegate James Clark.

20 DELEGATE JAMES CLARK: I vote Aye.

21 THE PRESIDENT: Delegate James Clark votes Aye.
