8 Any other announcements?

9 (There was no response.)

10 THE PRESIDENT: I want to mention one other  
11 thing in connection with Mr. Morgan. As I indicated, he  
12 is in the hotel and is resting. I am sure that all of  
13 you would like to pay your respects through a phone call  
14 or something, but ~~nothing~~ could be more disturbing to him  
15 or cause him more discomfort. I suggest to you that  
16 Delegate Clarke, Edward Clarke, who was with Mr. Morgan  
17 this morning when he first felt the discomfort very  
18 severely and who has been with him quite constantly today,  
19 would be a good source of information or inquiry, and I  
20 am sure that Delegate Clarke would be only too glad to  
21 transmit for you your best wishes to Delegate Morgan.
