

1 Chairman of the Committee on General Provisions. Delegate
2 Boyer, in an earlier draft of the Committee Recommendation
3 No. GP-1, which I saw the third word from the end in
4 Line 20 was "of" and not "in." I wonder if in this printing
5 it is a typographical error or is it deliberate that the
6 word "in" is intended?

7 DELEGATE BOYER: Mr. Chairman, this is a
8 typographical error and the proof should read at Line 20
9 "to trial by military court of this state" instead of "in."

10 THE CHAIRMAN: In the absence of objection,
11 the Chair will consider the typographical error corrected.
12 Is there any objection? The change is to strike the word
13 "in", the third word from the end of Line 20 and
14 substitute the word "of." So that it reads "subject to
15 trial by a military court of this state." I don't know
16 whether that has any bearing on the questions, the last three
17 or four questions, or not.

18 Any further discussion? Delegate Chabot?

19 DELEGATE CHABOT: Will Delegate E. J. Clarke
20 yield for a question?

21 DELEGATE E. J. CLARKE: Gladly.
