2 unanimous.

3 Our proposed amendment to Rule 36 is a clarify-  
4 ing amendment to eliminate an inconsistency. At the  
5 present time Rule 54 provides in the order of proceeding  
6 that when the report of the Committee of the Whole is  
7 approved, it would go to the Committee on Style. Rule 36,  
8 however, as it is now written, indicates that the Committee  
9 of the Whole can refer a report to any committee. This  
10 is an attempt to eliminate that inconsistency.

15 any delegate, with the Chairman of the Committee on Calen-  
16 dar and Agenda having the prior right shall be privileged  
17 to move that a limitation be placed upon the time of the  
18 debate and consideration of such proposal by the Committee  
19 of the Whole; provided that equal time is to be afforded to  
20 the proponents and opponents of such proposal, and the  
21 Committee may fix in advance consideration of a proposal
