

1 The question arises on the adoption of
2 Amendment No. 10.

3 I am sorry, Delegate Hardwicke.

4 DELEGATE HARDWICKE: Mr. Chairman, in support
5 of this amendment, let me point out that this procedure
6 is only our suggestion as to a legislative procedure. If
7 it turned out to be unpractical or unworkable, the
8 legislature can add additional procedures or can amend this
9 one.

10 With regard to those who are worried about
11 time, these are maximum time schedules and we don't believe
12 that the county commissioners will drag their feet and
13 use those maximum time schedules unless they are
14 interested in having the so-called model charters adopted
15 for their counties. This is probably a very well thought
16 out suggestion, and it might very well be that the
17 legislature would not attempt to change it.

18 THE CHAIRMAN: The question arises on the
19 adoption of Amendment 10. A vote Aye is a vote in
20 favor: a vote No is a vote against.
