2 much less important from the point of view of style

4 in any event, even after second reading passage this
5 evening any style changes that did develop to be necessary
6 could be acted upon tomorrow afternoon. I make that
7 announcement now to give you some idea of what the
8 program is likely to be for the next few days.

9 Any other amendments to Section 30?

10 The Chair hears none.

11 Any other amendments to Section 31?

12 Any other amendments to Section 32?

13 Do you have an amendment to Section 33?

14 DELEGATE MOSER: It is a new section to be
15 added. There are two of the same number. This would
16 be Amendment F.

17 THE CHAIRMAN: There are actually three
18 amendments to add new sections. I take it you are
19 saying your Amendment F will supplant Amendment D?

20 DELEGATE MOSER: That is correct. Amendment
21 D as in "dog".
