

1 or whatever committee was going to consider the provisions
2 relating to transitional provisions. My recollection is the
3 vote was 15 to 0, and the only change was one of style in
4 lines 15 and 16.

5 Point two, it was a specific point of what the
6 Local Government Committee intended to do with respect to
7 municipalities.

8 Number three, nowhere in Section -- in Article
9 23A does a similar provision appear. It is necessary. It
10 is not 23A, because it is in the Constitution. It is
11 wholly and entirely, and notwithstanding the comments of
12 Delegate Hardwicke, in complete accord with the provisions
13 of the Constitution and specifically with the provisions of
14 the Local Government Article.

15 THE CHAIRMAN: Delegate Clagett.

16 DELEGATE CLAGETT: Mr. Chairman, I do not wish
17 my questions to be misconstrued as being opposition. I am
18 satisfied by the answers, or substantially satisfied by
19 the answers given by Delegate Grant and am not opposing this
20 amendment.

21 THE CHAIRMAN: Delegate Wiedemeyer.
