

1 DELEGATE WIEDEMEYER: Mr. President, so as to
2 clear up some of the doubtful promises, I would like to ask
3 Delegate Moser a couple of questions.

4 THE CHAIRMAN: Delegate Moser, do you yield to a
5 question?

6 DELEGATE MOSER: Yes, sir.

7 THE CHAIRMAN: Delegate Wiedemeyer.

8 DELEGATE WIEDEMEYER: Is it not true that this
9 amendment does not give any constitutional provision, but
10 only a temporary statutory implementing provision, which
11 must be consistent with and not inconsistent with the
12 constitutional provisions of Section 7.05 and 7.06?

13 DELEGATE MOSER: Yes.

14 THE CHAIRMAN: Delegate Wiedemeyer.

15 DELEGATE WIEDEMEYER: Is it not true that this
16 is merely a stop-gap piece of legislation to take care of
17 the situation until such time as the Legislature can either
18 repeal or re-enact this provision and give the necessary
19 authority under the provisions of Section 7.07 and 7.05 and
20 7.06?

21 THE CHAIRMAN: Delegate Moser.
