

1 DELEGATE CARSON: Yes, sir.

2 THE CHAIRMAN: Delegate Chabot.

3 DELEGATE CHABOT: In section 7.05, we use the
4 word "existing" at two places: on line 18 we clearly say
5 "existing at the effective date of this Constitution. "

6 My question is: When we use the word
7 "existing" on line 21, are we talking about that same
8 date, or are we talking about at any time that a municipality
9 wishes to take one of the acts referred to in section 7.05?

10 THE CHAIRMAN: Delegate Carson.

11 DELEGATE CARSON: We are talking about the same
12 dates, the word "existing" relating to the same time.

13 THE CHAIRMAN: Any further question, Delegate
14 Chabot?

15 DELEGATE CHABOT: Yes.

16 At the time of the effective dates of this
17 Constitution, since the old Constitution will have passed
18 out of existence unless we do something, the existing
19 powers referred to in line 21 will no longer include
20 what is now in Article 11(e); is that correct?

21 THE CHAIRMAN: Delegate Carson.
