

1 provides an exception to the exception, and that is that
2 the General Assembly may provide on any law related to
3 this subject for the referendum procedure in that particular
4 area so that what you have here is, as the Chairman stated,
5 an absolute right of referendum statewide, and a provision
6 giving the General Assembly the right, notwithstanding
7 that, to provide for any suitable referendum it deems
8 appropriate in that particular case.

9 THE PRESIDENT: Delegate Bamberger.

10 DELEGATE BAMBERGER: If we adopt Amendment 12,
11 then I doubt that under Section 7.08 the General Assembly
12 could provide for referendum in less than the whole
13 state. It does seem to me now that Delegate Case points
14 out a conflict between 7.08 and 12, and Amendment No. 12.

15 THE PRESIDENT: Delegate Case.

16 DELEGATE CASE: Not at all, Delegate Bamberger.
17 The amendment that is before you, Amendment No. 12,
18 applies where there is only one county involved. It
19 does not apply where you have a multi-county, which
20 means more than one county, a multi-county governmental
21 unit.
