

1 standards prior to the general election", period.

2 THE PRESIDENT: I think it is most unwise to  
3 be making an amendment such as this on the floor.  
4 Notwithstanding the announcement of the Chair a few moments  
5 ago we will pass this for a moment and ask Dr. Loevy to  
6 draft a proper amendment and we will come back to it.

7 Delegate Gallagher.

8 DELEGATE GALLAGHER: Mr. President, since  
9 all five of these revolve around the same point I would  
10 ask you to pass over all five.

11 THE PRESIDENT: Are the other four dependent  
12 upon the language of this one or just upon the intent of  
13 this one?

14 DELEGATE GALLAGHER: They are dependent, Mr.  
15 President, and at this time I am not disposed to go ahead  
16 with three of them in any event.

17 THE PRESIDENT: The amendments that were marked  
18 3, 4, 5, and 6 will not be offered at this time and not  
19 be marked.

20 Amendment 2 is passed over for the moment.

21 Are there any other amendments to Article 3?
