

1 succeed in college because they are tied in by legal re-
2 quirements with regard to borrowing and other legal require-
3 ments, I tell you that we have failed pretty badly.

4 The vote on all of these occasions has been an
5 increasing one. Some of us have said we will support the
6 agricultural bill which I did because I believe we should
7 do something for the farm people if it is balanced out with
8 that which we do for urban poor people. I cannot think of
9 any single item that offers hope to many thousands who will
10 not understand what we are doing in terms of the Judicial
11 Department but will understand this in the terms of the
12 simplicity of the man on the street.

13 We not only urge you in the strongest language
14 that I can to keep this but say to you that this is in-
15 tensely important if we are to succeed in many areas of this
16 State.

17 THE PRESIDENT: Any other discussion?

18 Delegate Darby.

19 DELEGATE DARBY: Mr. President, I call for the
20 previous question.

21 THE PRESIDENT: Thank you.
