

1 the State Department of Education and there is a small
2 error in that resolution. I have discussed it with Delegate
3 Pullen, who we all know is a former superintendent of
4 education, and since this is going out to the Department
5 of Education, historically we wouldn't want it to go out
6 with any grammatical error, and if you will look on line
7 21, you say on 21 "to the dispatch with the business".
8 The "with" should be followed by "which".

9 I have read all the other resolutions, so you
10 will be safe in reading only the titles.

11 THE PRESIDENT: Is there consent to adding "which"
12 after "with" in line 21?

13 Is there any objection to that?

14 The Chair hears no objection, and the resolution
15 will be so modified.

16 The clerk will read the titles only of Resolu-
17 tions Nos. 32 to 43 inclusive, and Nos. 46 to 51 inclusive.
18 There is no Resolution 44 and 45. They were rewritten
19 and combined in another one, so please note in your records
20 that there is no resolution for those numbers.

21 Resolution No. 32 by the President and Delegates
