

1 reports, hopefully the minority reports would also contain
2 concise written reasons for their position.

3 THE PRESIDENT: Delegate Rybczynski?

4 DELEGATE RYBCZYNSKI: Continuing the same ques-
5 tion, the thing that got me started thinking about this is
6 the fact that there was also distributed today a memorandum
7 called Duplicating Procedures. As I suggested a little
8 while ago, it might be at the very last moment that a man
9 will realize or delegate will realize that he is of the
10 minority, and by the time the thoughts are assembled for
11 the minority group work and by the time all of these other
12 things are complied with, November 17 might very well go
13 by; and it occurred to me that by the addition of maybe
14 a word or two that we could prevent keeping important
15 views from being recorded.

16 THE PRESIDENT: If I may interrupt, I don't
17 believe, Delegate Scanlan, that your previous answer was
18 a direct answer to the question asked. Delegate Rybczynski
19 wants to know whether or not the effect of Rule 28(a)
20 will be to fix November 17 as the final date for the filing
21 of the minority report, not whether it may be filed.
