

1 of the Committee on Calendar and Agenda.

2 DELEGATE POWERS: Mr. President, before I  
3 move the adoption of today's Calendar, I would like to  
4 announce to the Convention that as far as today's procedure  
5 is concerned, we plan to move to recess for a period  
6 of one hour at about 1:30 today. Then we plan to move to  
7 adjourn at around 6 p.m. this evening, depending upon the  
8 status of the business of the day. We do not intend to  
9 propose a recess for dinner, but when we adjourn before  
10 dinner, we plan to adjourn until 10 o'clock tomorrow  
11 morning.

12 So that the delegates may know, the remainder  
13 of the this week it now appears that Committee Recommenda-  
14 tion No. S and E 1 on the referendum will be next after  
15 we conclude the business before the Committee of the Whole,  
16 which is set for today. The next matter after that will  
17 be Committee Recommendation GP-3, on natural resources;  
18 and the next after that will be Committee Recommendation  
19 LG-1 on Local Government.

20 We do not now anticipate that we will reach  
21 consideration in the Committee of the Whole on Committee
