

1 DELEGATE ADKINS: I would move you, sir, we  
2 amend the debate schedule to provide the length of un-  
3 controlled speeches be extended to five minutes, in lieu  
4 of three minutes, as shown on the schedule, and I should  
5 like to comment briefly on the proposed amendment, if I am  
6 in order.

7 THE PRESIDENT: Is there a second to the mo-  
8 tion?

9 (The motion was duly seconded.)

10 THE PRESIDENT: You may proceed.

11 DELEGATE ADKINS: I suggest, sir, these are  
12 matters of great complexity. I am not one who believes  
13 in extensive debate, but I believe in debate of some  
14 consequence. I do not think complex presentation of this  
15 problem can be adequately stated by any intelligent Dele-  
16 gate in three minutes. If the uncontrolled debate is  
17 to be meaningful, I think the Delegates should have oppor-  
18 tunity to develop their thoughts. I suggest, sir, they  
19 cannot possibly do so in three minutes.

20 THE PRESIDENT: Delegate Powers, do you de-  
21 sire to comment?
