

1 me, I would like to read the precise language of the
2 Committee recommendation.

3 "The number of members of each house of the
4 legislature shall be as prescribed by law, but the number
5 of Delegates shall not exceed 105 and the number of Sena-
6 tors shall be one-third of the number of Delegates. Each
7 Delegate shall represent one Delegate District, and each
8 Senator shall represent one Senate District. Each Senate
9 District shall be composed of three whole Delegate Districts."

10 Within that single section 3.04 are several sub-
11 divisions, all of which are equally controversial, so I
12 should like to address myself to each of them.
